

Hey!

Thanks a bunch for downloading our free
Valentine's Day Printables!

They're perfect for displaying on mantles,
book shelves, floating shelves, desks, etc.

These signs should be printed on standard
8.5 x 11 printer paper (A4) and then cut around
its black border to fit into an 8" x 10" photo
frame.

*Took a pic of your decor using our printables? We'd love to see them!
Be sure to hashtag #SugarAgendaBlog
on social media to show us your work!!*
